READY RECKONER & LOCAL SEO ASSET MAP

Prepared for: Dr. Purva Verma, BAMS, MD. Ayu. | Swasthyaveda Healthcare, Kolkata

Executive Note: This document maps out the newly updated, highly-optimized service listings designed to capture general, high-intent clinical symptom searches in the Kolkata local area. Technical Sanskrit terms have been transitioned from the titles into the target descriptions, allowing your profile to rank for symptom-based searches (such as "heel pain," "varicose veins," and "migraine") while preserving your Ayurvedic authority.

Group 1: Orthopedics & Non-Surgical Pain Management

1. Treatment for Heel Pain, Sciatica & Spinal Pain

Consult leading Kolkata doctor Dr. Purva Verma for fast, non-surgical relief from chronic heel pain (calcaneal spur), sciatica, and lower back pain. Using authentic Agnikarma (thermal cauterization), we target deep-seated nerve pain and inflammation to restore natural mobility.

Technical Mapping: *Agnikarma Therapy* (Therapeutic Heat)

2. Treatment for Joint Pain, Slip Disc & Frozen Shoulder

Get rapid relief from chronic joint pain, slipped discs, frozen shoulder, and osteoarthritis. Dr. Purva Verma specializes in Viddhakarma (therapeutic needling)—a highly effective, non-surgical Marma therapy that targets pain receptors and relieves stiffness safely.

Technical Mapping: *Viddhakarma Therapy* (Therapeutic Needling)

3. Treatment for Knee Pain & Osteoarthritis

Avoid knee replacement surgery with personalized knee pain treatment in Kolkata. Our targeted Janu Basti therapy deep-lubricates the knee joint, reduces friction and swelling, and restores painless walking and knee flexibility naturally by balancing Vata.

Technical Mapping: *Janu Basti* (Knee Joint Oil Pooling)

4. Treatment for Lower Back Pain & Slipped Disc

Find lasting relief from chronic lower back pain, lumbar spondylosis, and slipped discs. Kati Basti involves pooling warm medicated oil on the lower spine to strengthen spinal muscles, improve mobility, and balance Vata naturally.

Technical Mapping: *Kati Basti* (Lower Back Oil Pooling)

5. Treatment for Neck Pain & Cervical Spondylosis

Relieve chronic neck stiffness, shoulder tension, and cervical spondylosis. Our specialized Greeva Basti treatment pools warm herbal oils over the cervical spine to nourish muscles, improve neck mobility, and soothe compressed nerves naturally.

Technical Mapping: *Greeva Basti* (Neck Oil Pooling)

6. Treatment for Shoulder Pain & Frozen Shoulder

Dramatically improve range of motion and relieve chronic shoulder pain. Our Prashta Basti therapy targets the rotator cuff and shoulder joints with warm medicated oils, deeply nourishing the joint tissues to treat frozen shoulder and stiffness safely.

Technical Mapping: *Prashta Basti* (Shoulder Oil Pooling)

7. Non-Surgical Chronic Pain Management Clinic

A comprehensive, multi-therapy package for severe arthritis, chronic inflammation, and nerve pain. Combines Agnikarma, Viddhakarma, Abhyangam, Swedana, and customized pain-relief bastis for holistic recovery under Kolkata's top experts.

Technical Mapping: Combined Pain Rehabilitation Package

8. Treatment for Muscle Swelling & Localized Inflammation

Rapidly reduce localized muscle swelling, joint inflammation, and pain. We combine warm medicated decoction pouring (Sthanika Dhara) with cooling herbal paste applications (Sthanika Lepam) to deeply detoxify tissues and soothe localized pain.

Technical Mapping: *Sthanika Dhara* & *Sthanika Lepam*

9. Ayurvedic Herbal Bandaging for Sprains & Swelling

Accelerate healing for ligament sprains, tendon swelling, and severe joint stiffness. Upanaha involves applying warm, medicated herbal poultices and bandages to improve local blood circulation, draw out toxins, and relieve pain.

Technical Mapping: *Upanaha* (Poultice Application)

Group 2: Skin, Hair & Advanced Blood Purification

10. Treatment for Varicose Veins, Acne & Skin Pigmentation

Looking for a permanent cure for varicose veins, stubborn acne, or eczema? Dr. Purva Verma offers sterile Jalauka (Leech Therapy/Jalaukavacharana) to purify blood, reduce localized venous congestion, and heal chronic skin diseases safely.

Technical Mapping: *Jalauka / Jalaukavacharana* (Leech Therapy)

11. Treatment for Hair Loss, Psoriasis & Scalp Care

Stop chronic hair fall, premature greying, dandruff, and scalp psoriasis. Takradhara is a cooling therapy where medicated buttermilk is poured over the scalp to balance Pitta, calm the mind, relieve high stress, and nourish hair follicles.

Technical Mapping: *Takradhara* (Medicated Buttermilk Pouring)

12. Ayurvedic Blood Purification & Detox for Gout

Highly effective treatment for chronic skin allergies, gout, hypertension, and high uric acid. Siraveda (therapeutic bloodletting) purifies localized blood toxins, balances Pitta dosha, and stimulates the body's natural healing systems.

Technical Mapping: *Siraveda* (Therapeutic Bloodletting)

13. Treatment for Migraine, Dandruff & Sleep Disorders

Soothe severe migraines, burning scalp, dandruff, and insomnia. Shirolepam applies a cooling, nutrient-dense medicated herbal paste over the scalp to deeply nourish the brain, balance Pitta, and provide deep mental relaxation.

Technical Mapping: *Shirolepam / Thalapothichil* (Medicated Scalp Paste)

14. Ayurvedic Facial for Natural Skin Glow & Anti-Aging

Restore your skin's natural radiance and cure dullness, fine lines, or hyperpigmentation. Using pure Navara rice and organic elixirs, our specialized Ayurvedic facials detoxify the skin and restore a healthy, youthful glow safely.

Technical Mapping: *Panchamrit / Navara Facials*

Group 3: Stress, Sleep & Mental Wellness

15. Treatment for Anxiety, High Stress & Insomnia

Rejuvenate your nervous system and restore deep sleep. Shirodhara involves a continuous, soothing flow of warm medicated herbal oil over the forehead (third eye). Highly recommended for relieving anxiety, mental exhaustion, and high stress.

Technical Mapping: *Shirodhara* (Head Medicated Oil Pouring)

16. Ayurvedic Full Body Rejuvenation & Relaxation

Experience deep physical relaxation and full-body detoxification. This therapeutic, warm medicated liquid pouring balances Pitta dosha, removes severe body exhaustion, improves skin texture, and builds strong daily immunity.

Technical Mapping: *Dhara* (Full Body Medicated Pouring)

17. Full Body Medicated Oil Massage for Pain & Stress

Rejuvenate your body with authentic Abhyangam. Using warm, customized medicated oils, this full-body massage improves blood circulation, relieves overall joint stiffness, promotes deep lymphatic drainage, and calms Vata dosha.

Technical Mapping: *Abhyangam* (Full Body Massage)

18. Ayurvedic Foot Therapy for Insomnia & Eye Strain

Experience profound relaxation and better sleep. Padabhyangam uses a traditional Kansa metal wand and medicated herbal ghee to massage vital reflex points on the feet, helping to improve eyesight, reduce anxiety, and cure insomnia.

Technical Mapping: *Padabhyangam with Kansa Wand*

Group 4: Eye, Ear & Head Rejuvenation (ENT)

19. Treatment for Dry Eyes & Digital Eye Strain

Perfect for professionals suffering from digital eye strain, blurred vision, dry eyes, or high myopia. Using sterile, warm medicated ghee (Netra Tarpana) and herbal eye washes, we strengthen the optic nerves and restore vision clarity.

Technical Mapping: *Netra Tarpana & Netra Seka*

20. Treatment for Dark Circles, Puffiness & Eye Redness

Soothe and refresh tired eyes. We combine organic herbal eye paste applications (Bidalaka) and eye bandaging (Bandhan) to cure stubborn under-eye dark circles, puffiness, fine lines, redness, and high intraocular pressure naturally.

Technical Mapping: *Netra Bidalaka, Bandhan & Pindi*

21. Treatment for Sinusitis, Allergies & Chronic Migraine

Highly effective Ayurvedic treatment for chronic sinusitis, allergic rhinitis, frequent headaches, and migraines. Nasya involves administering medicated herbal drops through the nose to clear congestion and balance the upper body.

Technical Mapping: *Nasya* (Medicated Nasal Administration)
